

Name: Ovidiu Popescu
Occupation: Business Owner
Term: Four Years

My family and I have lived in Loma Linda since 1980. If elected, I would work to PROTECT our TOWN FROM OVERDEVELOPMENT and further traffic gridlock. My first priority is to keep traffic from getting worse by ensuring proper road improvements are made. Preserving open spaces and the scenic beauty of the hillside areas and maintaining citrus lands are parts of my vision for our town. Maintaining the current residential density standards and minimum lot size would be one of my priorities, because it would protect our **property values** and provide our kids with safe environments to play in. I believe that Loma Linda University, one of the nation's leading health care and education facilities, is a vital and integral part of our community. As a business owner with a bachelor's degree in Business Administration, I understand the positive role of responsible development and support strong fiscal discipline. It is my desire to provide all citizens of our town with robust leadership and listen to them all equally. We all want a **quiet** and **safe** Loma Linda for our families. www.ovipopescu.org
